NOTICE OF MEETING

The City of Somersworth will hold a public input meeting on November 6, 2013, at 5:00 p.m., in the City Council Chambers at City Hall, One Government Way as part of the Transportation Enhancement (TE) Project.

The City of Somersworth is performing a downtown improvement project to enhance pedestrian safety and mobility, improve ADA accessibility, install bicycle travel lanes, design and construct informational and gateway signage, improve automobile traffic flow and safety, create landscaped focal points and improve access to public transit systems while preserving and enhancing the historic character and natural assets of downtown Somersworth.

This meeting is to focus on presenting:

- The identified alternatives;
- The pros and cons of each; and
- A detailed narrative of why the preferred alternative best meets the project's purpose and need and makes the most sense for the location context.

The public is invited to attend. Public who are hearing impaired or require other special arrangements, please contact the Planning Office at City Hall (692-9519) one-week prior to the meeting for assistance.

TDD Access: call Relay NH at 711.
