Administration: City Manager Bob Belmore, Recreation Supervisor Nick Campion

Public: Crystal A Weyers (Foster's Daly Democrat), Maggie Larson

Motion by Coty Donahue seconded by David Witham to accept the previous minutes as presented. M/C

Noble Pines Park: Report given by Nick Campion.

Skateboard Park being worked on by Public Works Dept. for the last two weeks. In preparation of the hot top they have made five different structures as well as completing the groundwork for these structures. Anticipated completion date within two weeks.

City Manager reports work order in to PSNH to install a floodlight in the Noble Pines area.

Discussion on possible installation of cameras.

Contractor hired to replace decking and install staircase alongside of existing concession stand leading to the ball field.

City Manager reports that Verizon Communications is interested again in the rental of space on and around the tower. Also they will possibly do improvements to the landscaping.

Report given by Nick Campion reference attendance and funding of the summer programs.

Mass Point Dam: Report given by City Manager Belmore reference grant received for the revitalization of the Mass Point Dam. Motion by David Witham seconded by Coty Donohue to authorize the City Manager to present the proposed resolution as written to the city council.

Miscellaneous: Request from David Witham to the City Manager to request that the Police Dept. be more vigilante in enforcing the curfews for the city parks

Report from City Manager reference possible improvements to Millennium Park for future rentals. Such as, improved electricity and possible stage area etc.

Report from Nick Campion reference the improvements to the brochures and advertisements informing the public for the necessity of picking up animal waste.

Motion to adjourn by David Witham seconded by Coty Donahue to adjourn. M/C

Meeting adjourned at 9:25am

Respectfully submitted:

Martin Pepin Chairman
