## The Mayor's Corner

### **Graduation Speech for the Class the 2018**

Each year I have the honor of addressing the graduating class of Somersworth High School. Here is this year's departing words to the Class of 2018;

"Our mere existence is chance, the air we breathe, chance, The creation of the planet we live on, chance"

While each day we process thousands of choices, it is still the laws of probability which govern. Do we wake up at the allotted hour or hit the snooze bar. The outfits we choose, the route we drive, the flavor or style of coffee we order. Each option is a choice, and a chance which one we will decide upon. It is the choices your parents made that brought you into the world of the living, and the choices their parents made, that brought them forward. It is the choices you then made, which has enabled each of you, twelve years of free public education you have earned.

For some, the chances to choose positive were clear, for others those chances were cloaked in a heavy layer of fog. Yet by chance, with the choices everyone in this room has made throughout their lives, has lead us all to this gathering spot, in this town, this state, this county at this very moment to congratulate and celebrate you. Choices and chances will follow us throughout our lives. We all hope that the choices we will be given, will lead to the chance for us to reach our potential, define the level of success, or find the balance and happiness all of us desire. However, history as taught us that our existence has been plagued with societies which limit choices and the chances each of us desire.

While our independence and American experience began with the promise of all having the god given rights of seeking life, liberty and the pursuit of happiness, in the 242 years of our self-governing we have bared witness to the horrors of slavery, the inequality of women, the oppression of immigrants, the disparity of Jim Crow and the discrimination and violence inflicted upon our LGBT community. Yet with each failing, each generation was given the chance to correct the failures of the previous, and to re-chart the course towards the fulfillment of our creed.

**"What Do You Do With a Chance?"** is written by New York Times Best Sellers author Kobi Yamada and is my gift and parting words of advice to you.

### **"What Do You Do With a Chance?"**

One day, I got a chance. It just seemed to show up. It acted like It knew me, as if it wanted something. I didn't know why it was here. "What do you do with a chance?" I wondered. It fluttered around me. It brushed up against me. It circled me as if it wanted Me to grab it. I started to reach for it, But was unsure and pulled back. And so it flew away. I thought about it a lot. I wished I had taken

my chance. I realized I had wanted it, but I still didn't know if I had the courage.

When another chance came around, I wasn't so sure. But I decided to try. I went to reach for it, but I missed and fell. I was embarrassed. I felt foolish. It seemed like Everyone was looking at me. I decided I never wanted to feel this way again. So after that, whenever a chance Came along, I ignored it. And the more I ignored them, The less they came around. Until one day I noticed that I hadn't seen a chance In quite a while. It was as if they had all disappeared. I started to worry, "What if I don't get another chance?" I know I acted like I didn't care, but the truth was, I did. I still wanted to take a chance, but I was afraid. And I wasn't sure if I would ever be brave enough. Then I thought, "Maybe I don't have to be brave All the time. Maybe I just need to be brave for A little while at the right time." I realized it was up to me. I promised myself that if I ever got another Chance, I wasn't going to hold back. If I got Another chance, I was going to be ready.

Then, one seemingly ordinary day, I saw something shining far off in the distance. "Is it possible?" I hoped. "Could this be my chance?" I had to find out. I ran as hard and as fast as I could toward it. I don't know how to explain it, But the second I let go of my fears, I was full of excitement. It wasn't that I was no longer afraid, but now My excitement was bigger than my fear. As I got closer, I could see that this was a really huge chance! But this time I was ready. As it came by, I reached Out and grabbed it. I held on with all my might. It felt so good to soar, to fly, to be free! I now see that when I hold back, I miss out. And I don't want to miss out. There's just so much I want to see and do and discover. So, what do you do with a chance? You take it...because it just might be The start of something incredible.

Class of 2018, congratulations on your accomplishments, best wishes as you continue with your daily choices throughout life. Continue to choose wisely as you work towards your dreams and aspirations. Know that Somersworth will always be home, and may your blood forever run Hilltopper Blue.

### Chief Kretschmar's Message

School is out and summer vacation has begun. Please pay attention to the road while driving, put away your electronic devices or go hands free, obey the speed limits and please slow down and watch for pedestrians. We will aggressively enforce crosswalk and distracted driving violations.

Special Olympic Torch Run

The Special Olympics Torch Run was held on Friday morning, June 1<sup>st</sup>. The torch was handed off to us by Rochester Police at the Next Level Church on Route 108. We ran the torch to the Loft in Dover and passed it on to the Dover Police.

Thank you to our Runners and our Supporters who came to cheer us on!

### Summer Pet Safety

It takes only minutes for a pet left in a vehicle on a warm day to succumb to heatstroke and suffocation. Most people don't realize how hot it can get in a parked car on a balmy day. However, on a 78 degree day, temperatures in a car parked in the shade can exceed 90 degrees -- and hit a scorching 160 degrees if parked in the sun!

Even when the outside air temperature is in the 60s, temperatures inside some vehicles can reach the danger zone on bright, sunny days. So many experts recommend not leaving pets or children in parked cars even for short periods if the temperature is in the 60's or higher.

Rolling down a window or parking in the shade doesn't guarantee protection either, since temperatures can still climb into the danger zone. And if the window is rolled down sufficiently, the pet can escape. Just 15 minutes can be enough for an animal's body temperature to climb from a normal 102.5 to deadly levels that will damage the nervous and cardiovascular systems.

## **LOCKING YOUR CAR DOORS**

The safest way to protect your vehicle and the contents in it is to LOCK YOUR CAR DOORS. It only takes a minute.

## **Information from Fire Department 692-3457**

### **REMEMBER "Fireworks Rules"**

The state of New Hampshire has rules and regulations governing the use of fireworks. These are promulgated by the State Fire Marshal. Most important among these are:

- A PERMIT must be obtained from the Fire Department
- The landowner MUST give permission to use fireworks
- Only those 21 and older should possess and use fireworks
- M-80s, cherry bombs and certain bottle rockets are illegal in New Hampshire and SHOULD NEVER BE USED
- Small firecrackers and certain bottle rockets have been legalized by the Legislature and do NOT require a Permit. Check with your Fireworks provider to be sure which ones are legal without a Permit
- Eye protection by those igniting the fireworks is recommended
- Light only ONE device at a time
- Keep spectators away
- Ignite ONLY outdoors and AWAY FROM OTHER FIREWORKS AND COMBUSTIBLES
- Keep a fire extinguisher or garden hose handy just in case
- Clean up debris later and any fireworks that failed to ignite. Soak these in water to disable them
- Call "9-1-1" for any incident - no matter how small
- Contact the Fire Department if you are unsure of any procedure

**Citizen's Place**

#### **Public Works Highway Personnel Pretty-up Citizen's Place**

Highway personnel recently installed new perennial plantings around the monument and flag pole at Citizens Place in downtown. The new plantings compliment the public space with a variety of perennial plantings that will add to the beauty and special nature of Citizens Place.

#### **Department Water Utility Employees Train with Emergency Responders on Mock Chemical Spill in the Salmon Falls River**

Water personnel spent the day on Thursday, June 21, training with other public safety emergency responders on responding to a mock chemical spill in the Salmon Falls River. The training allowed personnel from both the City of Somersworth, City of Dover, Town of Berwick, NHDES and Maine DEP, Strafford Country EMS and York County EMS to practice installing protective river booms to protect drinking water intakes and modify water treatment plant operations at both the Town of Berwick and City of Somersworth. The training was an excellent opportunity for neighboring municipalities and State and Regional agencies to work together on methods to protect drinking water supplies.

#### **City Announces Road Repair Plans**

Following City Council approval, the City is currently soliciting construction bids from road paving contractors to repair/repave the following streets in the City:

Otis Road:	West High Street to Rocky Hill Road
Salmon Falls Road:	State Line to City Line
High Street:	Blackwater Road to South Street
Tate's Brook Road:	Maple Street to Cemetery Road
Washington Street:	High Street to Main Street
Constitutional Way:	Washington Street to High Street

Horne Street:

High Street to Myrtle Street

Work on the roads will range from milling off old pavement and applying new asphalt. In some cases, it will involve a reclaiming of the existing road base and adding new pavement material. Bids are due on July 19, 2018 at 2:00 PM and will be reviewed before submitting recommendation on bid award to the City Council. Work is anticipated to begin later this summer /early fall.

New Hampshire DOT will be repaving W. High Street from Rte. 108 to Maple Street (maintained by the State) and the City will be partnering with the NHDOT contractors to overlay W. High Street from Maple Street to Cemetery Road. This work is anticipated to occur in early fall.

#### **July 4 Holiday Trash Schedule**

The City of Somersworth recognizes Wednesday, July 4 as a National Holiday and all City Offices will be closed that day. In addition, the Public Works Department announces that curbside Solid Waste and Recycling Services will not be provided on Wednesday, July 4. Residents on the Wednesday trash and recycling route will be served on Thursday, July 5.

Please call Public Works with questions at 603-692-4266 or [jnalley@somersworth.com](mailto:jnalley@somersworth.com) with questions.

**THE STATE PRIMARY VOTING WILL BE HELD ON TUESDAY,  
SEPTEMBER 11, 2018**

Residents may register to vote or update information at the City Clerk's Office or during the Supervisors of the Checklist Sessions. Please note, June 5, 2018 was the deadline for a voter to change party affiliation or to become unaffiliated with a party for voting in the September 11, 2018, State Primary Election. See news release from the Secretary of State [here](#)

## What's Happening at the Library?

### What Somersworth is Reading in July

#### "Perfume River" by Robert Olen Butler

Robert Quinlan is a seventy-year-old historian, teaching at FSU, where his wife Darla is also tenured. Their marriage, forged in war protests, now bears the fractures of time, with the couple trapped in an existence of morning coffee and solitary jogging. For Robert and Darla, the cracks remain under the surface, whereas the divisions in Robert's family are more apparent: he has no relationship with his brother, who became estranged from the family as the Vietnam War intensified. The aftershocks of war ripple across their lives once again when Robert's brother refuses to appear at his father's dying bedside. The August book, The Last Runaway by Tracy Chevalier, will be available that evening. The program is free, and no registration is required.

## Libraries Rock - Read This Summer

Sign up for the Summer Reading program begins on Saturday, June 16<sup>th</sup> and will continue into July. Stop by the library, sign up and get the first incentive for reading through the summer to maintain reading skills over the break from school. Independent reading is encouraged and supported, and story programs will be at 6:00PM on Tuesday, 11:15AM on Wednesday and 10:00AM on Friday beginning the week of July 3rd. Take some time to read!

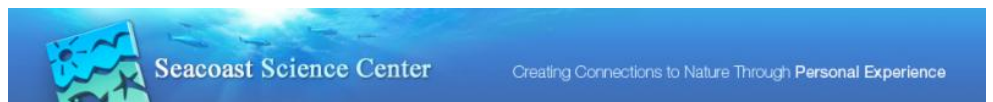

## Strafford the Listening Bear

Strafford the Listening Bear will sit very quietly with a child and listen to them read him a story. He is now visiting the Children's Room at the library. Strafford will be in the room any time a child visits. He will sit with you quietly and listen to any story you wish to read to him. Come in and visit with him. He loves reading!

## Children's Book Sale Continues into July

The Friends of the Somersworth Public Library annual Children's Book Sale will continue to July 7th during regular library hours. There will be hardcover, soft cover and paperback books as well as movies on DVD and audio books. In July the book prices have been eliminated and you get to select all the books you wish and make a donation to the Friends. All proceeds will benefit the Somersworth Public Library.

**Ready Set Grow!**

### **Idlehurst Reaps What They Have Sown**

In April, students at Idlehurst planted seeds of all sorts. In June, just before the end of the school year, 2nd graders from Michelle Sleeper's class harvested beautiful fresh lettuce, crunchy radishes and herbs for a salad sampling party. Garden superhero Beth Giesta worked with the class to harvest one day, and the next day the class enjoyed a salad during snack time. Kids learned by doing, and

it was fun, active, healthy and delicious!

**And this just in...** Somersworth School District has been awarded a nearly \$42,000 USDA Farm to School Planning Grant! This grant was submitted back in December and was a very competitive process. Somersworth was the *only*

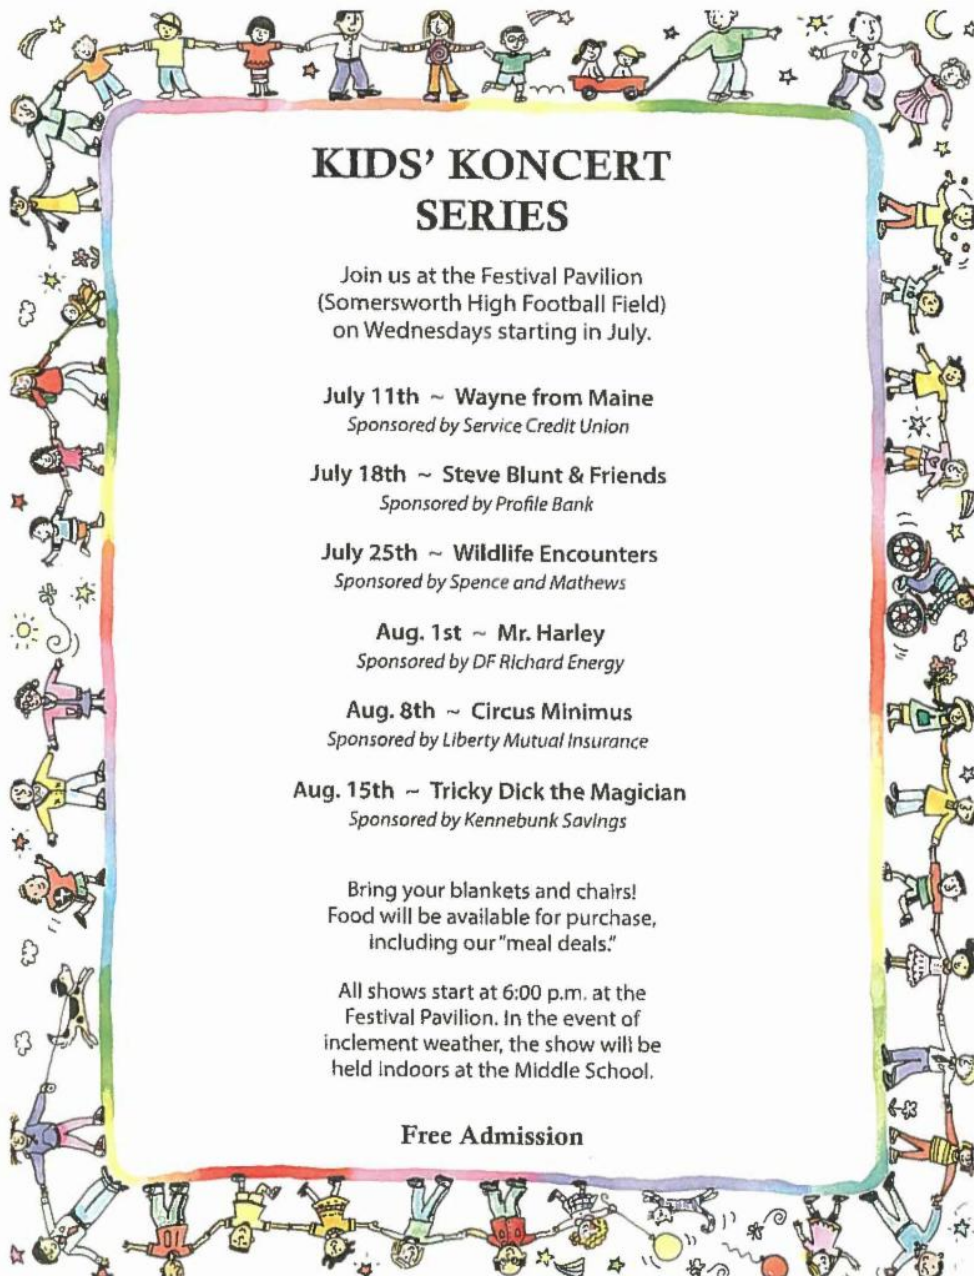

New Hampshire recipient. This grant will be used to (1) develop a district-wide compost and food waste reduction program, (2) provide professional

development for teachers to utilize school gardens as outdoor classrooms, (3) increase farm to school learning opportunities for students in the after-school and summer programs, and (4) develop a local foods procurement plan with the school food service department. With the help from this grant and support from our many talented teachers and administrators, garden experiences as all the schools can be fruitful and multiply. What an exciting opportunity, and we look forward to getting to work on this over the next year. Congratulations and thank you to everyone who was involved in this process!

If you'd like to learn more about Farm to School projects happening in Somersworth, and ways to get involved, contact Wendy at [wberkeley@sau56.org](mailto:wberkeley@sau56.org).

## CEMETERY CORNER

The Funky Diva's of Gospel at the  
FURBER CHAPEL

**The Funky Diva's of Gospel will be performing at the Furber Chapel on  
Sunday, July 29th at 2:00 p.m.**

The Funky Divas of Gospel have been a fixture on the Seacoast for over 20 years. Based in the Tri-City area, the group performs regularly at fairs and summer concerts and local music venues sharing great gospel and roots music. The Acoustic Diva Quartet features the three Diva vocalists, Ellen Gagnon, Dianne McMillen and Vicky Poland along with guitarist Dan Poland. The quartet performs the Funky Diva song list with a more intimate, acoustic delivery. The music is about harmony and is spiritual and reflective.
