Wednesday, March 20 at 6:30 p.m.

Historic District Commission

Wednesday, March 27 at 7:00 p.m.

The Mayor's Corner

Transforming a Community

Change is never easy, it disrupts our routines, makes us uneasy and sometime tests the values embedded within us. Yet we are surrounded by change, and experience it each and every day. Nature constantly reminds us through the life cycle of birth, growth and death, that change is always in motion. It guides us as we adapt to change with the seasons; Autumn, Winter, Spring, Summer. And reminds us that change can occur slowly or abruptly, as we observe all too often, in our weather patterns.

Throughout our lives our bodies are in a constant state of change. From moment to moment we are evolving and physical different then we were before. Yet, it is the free will that we have been gifted that helps us determine what changes are positive and move us in a direction of improvement and what changes can be detrimental to our welfare. During the last 6 years, our 10 square mile community of Somersworth has been in a forward motion; "On the Move". We have experienced a re-awakening of our destiny towards greatness and have embraced the Hilltopper values which have identified us as a true New England community. Some of these changes can be physical witnessed; the improvements to our infrastructure, renovations of our schools, and improvements to our parks .

Other changes are witnessed through the adoption of commitments to our community; Vision 20/20's commitment to making Somersworth one of the most

Please note meeting Calendar is subject to change.

desirable communities on the seacoast by the year 2020. The Mayor's drug task force's adoption of a master plan to address the opioid crisis. The Plaza commission's vision to bring new life to the Somersworth plaza. The veteran's park commission dedication to creating a living tribute to all of our veterans. And the Cultural Commission dedicated to celebrating who we were and who we are.

All of these successes can be rooted in the most important change, the change that once again WE believe in ourselves. For decades our community has been wandering through the darkness searching for its identity. We were overshadowed by the giants which surrounded us and their transformations. "If only we could be like Dover, Rochester, or Portsmouth" was once common vocabulary heard throughout the Hilltop City. Yet with each step we took on the journey towards discovery, we traveled further away from the foundational blocks of our success, the citizens who comprise the home we call Somersworth.

Our strength is not national hotel chains, high priced restaurants, or six dollar coffee lattes. Our downtown is not filled with busting youth emptying out of bars at 1am and Uber drivers circling the square for their next fare. Instead we are a community that celebrates each other at the \$7.00 church breakfasts, where neighbors will walk over with their snow blowers and help you clear your driveway and where friends who know your parents will drop off meals while they are battling illness. We are a community that does not simply tolerate each other, but instead celebrates one other. Not only through our deeds and actions but by giving each group who believes and embraces differences and democracy "Their turn at the pole" at citizens place.

Our local government has become a model of how democracy was intended to function. By respecting differences, with civility and statesmanship while agreeing to disagree and working towards consensus for the progression of the community as a whole. While we lack the assessment of million dollar homes, our properties are rich with the love, warmth and commitment to building a community which believes in honoring the previous generations. The generations that created our "Proud Past" while we will continue to institute personal sacrifices as we build towards a "Bright Future". Our changes can be seen and unseen. Seen, in some of the recent positive developments which continue to move our community forward. Unseen in the values which identify us as Hilltoppers.

We will continue our commitment towards ourselves and each other, we will continue "On the Move!" towards reaching our Vision 20/20 goals and continuing to celebrate our rich cultural diversity. Most importantly we will continue to embrace the changes needed while holding onto the values which have made our 10 square miles City called Somersworth, a welcoming Community and home for all.

We are a community! We are achieving progress and greatness!

WE ARE SOMERSWORTH!

Mayor Dana Hilliard

Mayor's Community Forum
Saturday, March 16
9:00am – 10:30am
City Hall

Included in this Forum will be the Mayor and Somersworth Fire Chief, Keith Hoyle.

The purpose of these forums are to foster dialogue and ideas, in a non-formal setting to continue to move our Community forward.

All members of the Community are welcomed to attend.

**Somersworth Police
Coffee with a Cop**

Coffee with a Cop was held on February 26 at Teatotaler on High Street where Officers and Residents mingled to have a cup of coffee.

Thank you Teatotaler for graciously hosting our event and to everyone who stopped by to say hello.

New Intoxilyzer 9000

We were very happy to receive a new Intoxilyzer 9000 unit from the State of New Hampshire. All of our officers are now certified to use to report alcohol levels for possible impaired drivers.

Snow Emergencies Winter Parking Ban

Snow Emergencies can be called at any time, day or night. During Snow Emergencies, a Parking Ban is in effect. Always be aware of overnight weather forecasts and have alternative parking plans when snow is predicted. Your vehicle can be towed during a Snow Emergency and

you will have to pay the tow charge to get it back. The purpose of the parking ban is to enable Public Works to safely maintain the roads. This means sometimes there will be a Snow Emergency declared even when it is no longer snowing. Snow emergencies are announced on the following stations: WTSN, WOKQ, WERZ, WSHK, WHEB, WMUR Channel 9 and Local Cable Station Channel 22. You may also call the **Winter Ban Hot Line at 692-9131** or go to www.Somersworth.com. To receive news of parking bans via email, go to www.Somersworth.com and click "Subscribe-City Email."

Somersworth Police Department also uses Facebook to give important community information and we send out Nixle alerts for parking bans and other important information to cell phones and emails. You can sign up for Nixle at www.Nixle.com.

Avoid the parking ticket and the tow (at your expense) by paying attention to snow emergency information.

Somersworth Police Facebook Page

Check out Somersworth Police Department's Facebook page. We use this to inform you about important community information including crime information, road closures, snow emergencies/ parking bans, and community events. Here is

the link:

<https://www.facebook.com/SomersworthPoliceDepartment/>

We send out Nixle alerts for parking bans and other important information to cell phones and emails. You can sign up for free Nixle at www.Nixle.com

Somersworth Crime Line:
You can leave anonymous information at 692-9111

From your Local Fire Department
692-3457

has a lot of good information at www.readynh.gov so pay it a visit!

- Permits are required by the state to burn tree branches that have fallen over the winter or to prepare garden areas. These Permits can be obtained free of charge from the Fire Department. They outline safety for burning these materials.
- While snow accumulations are lessening, it still is possible that we could get some storms which may result in fire hydrants outside your property being buried. As always, we solicit your help in keeping fire hydrants clear of snow after storms.
- As the month progresses, increased temperatures will melt ice on ponds and streams. Take care when walking on these surfaces as ice can way with little warning at this time of year.

Information from Public Works 692-4266

Solid Waste Updates

The Department of Public Works reminds residents that metal pick up occurs on the 2nd Tuesday of the month. The March collection will occur on Tuesday, March 12 and participants are asked to call Public Works not later than 3:00 pm on Monday, March 11 to be placed on the pickup schedule for March 12.

- Participants are reminded to place the proper number of tags on the item when setting the item out on the street for collection. Typical TV's require three (3) stickers - \$12.00 and PC's require one (1) sticker - \$4.00.
- Residents may also opt to drop off metal and electronic items with proper bulky waste stickers at the Public Works Facility located at 18 Lilac Lane from 7:30 am-2:30 pm Monday -Friday.

Reminder - Blue Trash Bags & Recycling Bins

Residents are reminded that City trash bags and recycling containers must be at the curbside no later than 7:00 am curbside no sooner than the evening before your designated collection day.

Highway Work Activity

Winter is not over, the warmer temperatures will help with faster melting action on City streets and sidewalks during snow events in March. Motorists and pedestrians are continued to use caution and be alert during inclement weather and be mindful of Public Works snow plow equipment clearing roads and sidewalks and please use caution when traveling near these large pieces of equipment. Be safe. Drive careful, use proper distance and be aware of road conditions. Residents are also reminded to refer to social media updates (email blasts, website updates) when inclement weather is forecasted for parking ban updates.

Preventative Reminder to Avoid Freezing Pipes

With the recent stretch of cold weather we have had reports of frozen pipes bursting and causing extensive water damage during this winter.

- Keep building temperatures as consistent as possible, never less than 55 degrees Fahrenheit.
- Insulate areas where water supply lines are located and eliminate drafts.
- If you have water pipes in basements, crawl spaces, or outside walls, insulate the pipes, using pipe-sleeves or other insulating material.
- Allow warm air to circulate by opening up doors to closets and cabinets where pipe chases are located.
- Never use torches or devices with open flames to thaw frozen pipes.

If you suspect that a pipe is particularly susceptible to freezing, as an emergency measure, leave water running at a trickle to prevent freezing. This is never recommended as a permanent measure and should be monitored frequently.

Grant Funded - Emergency Preparedness-Water Interconnection with the City of Dover

The City Council recently approved an Inter-municipal Emergency Water Use Agreement between the City of Somersworth and the City of Dover. The agreement outlines the terms and conditions by which a new interconnection water main would be constructed connected to a City of Somersworth water transmission line and operate in the event of a water emergency affecting either community. The new interconnect water line will be installed adjacent to Willand Pond and involves the construction of a 2,600 LF interconnection main between Somersworth and Dover. Work is anticipated to begin late this winter -early spring and completed by December 2019. The contractor selected to construct the improvements is Sherbon Consolidated.

What's Happening in Recreation?

Regional Meet:

Saturday, June 15th
(All day, Location TBD)

State Meet:

Friday, June 28th @
Winnisquam High School Track
*For qualifying athletes only

Join Somersworth Recreation for this beginner Track and Field program designed to teach children the basic fundamentals of running, throwing, and jumping. Children will work on both short and long distance runs as well as the long jump and softball throw. This program is a great way for young athletes to stay in shape, develop new running skills, have fun outdoors, and have a chance to compete against athletes from other NH towns at the Regional Meet in June. The Meet is not required but we encourage athletes to sign-up as the meet offers a wonderful competitive experience. Those who qualify at the Regional Meet will be invited to participate in the State Meet. All athletic abilities are welcome in this program! Please contact the Rec Office for more information. 603-692-9508

Space is limited, don't wait to register!

What's Happening at the Library?

Ask a Muslim Anything: A Conversation with Robert Azzi

Thursday March 7th, 6:00 PM - 8:00 PM

Somersworth Public Library

"Nothing is off the table..."

Learn more about the Muslim Culture through audience questions about Robert's experiences.

Robert Azzi is an Arab-American Muslim who grew up in Manchester, NH. After college, he embarked on a career as a photo journalist, traveling extensively throughout the Middle East and beyond.

Today, Robert speaks about his life, what it's like to be Muslim in America, how he came to convert to Islam, about the religion of Islam and its history, especially in America - and about the Middle East, terrorism and associated political and social issues.

Want to add something new to your 2019 Resolutions? Plan to join the Somersworth Library Book Club...

The Library book discussion group meets monthly on the fourth Wednesday at 6:00 p.m. We read a variety of book selections throughout the year.

Each month we get together to have a fun and interesting discussion on that book.

**What Somersworth is Reading in March
(Wednesday March 27)**

"Why My Third Husband Will Be a Dog"

by Lisa Scottoline

Hilarious collection of stories from the life of the New York Times bestselling author

At last, together in one collection, are Lisa Scottoline's wildly popular *Philadelphia Inquirer* columns. In her column, Lisa lets her hair down, roots and all, to show the humorous side of life from a woman's perspective. The Sunday column debuted in 2007 and on the day it started, Lisa wrote, "I write novels, so I usually have 100,000 words to tell a story. In a column there's only 700 words. I can barely say hello in 700 words. I'm Italian." The column gained momentum and popularity. Word of mouth spread, and readers demanded a collection. *Why My Third Husband Will Be a Dog* is that collection. Seventy vignettes. Vintage Scottoline.

In this collection, you'll laugh about:

- * Being caught braless in the emergency room
- * Betty and Veronica's Life Lessons for Girls
- * A man's most important body part
- * Interrupting as an art form
- * A religion men and women can worship
- * Real estate ads as porn
- * Spanx are public enemy number one
- * And so much more about life, love, family, pets, and the pursuit of jeans that actually fit!

Story Times are offered on Thursdays at 6:00 p.m. and Fridays at 10:00 a.m. All ages are welcomed for Stories and Crafts.

Enjoy our Free or Reduced Admission Museum Passes! Call us today to reserve a date for any of the following museums - available to any Somersworth Residents:

Children's Museum of Dover
Strawbery Banke - Portsmouth
Seacoast Science Center - Rye
Museum of Science - Boston
New England Aquarium - Boston
Museum of Fine Arts - Boston

The Library now has a Facebook page! We will gradually be adding news, programs and photos, so 'Like' and follow "Somersworth Library" today so you're one of the first to know about all the new things that will be going on!

Ready Set Grow!

It's not farming or gardening season in the most recognizable sense, but at Somersworth Middle School, harvesting is happening. Daryl Dunbar and his 8th graders have begun their annual quest for local maple syrup. On SMS property and on a supportive and willing abutter's property, several students have ventured out in February to tap maple trees, fill buckets, and begin boiling down to use in the SMS Family and Consumer Science Program as well as at district events and

meals.

The maple sugaring activity has been going on for 3 years, with a few gallons produced each year. Last year Mr. Dunbar received a NH Ag in the Classroom Grant and built a small wood fired evaporator. It is a year round activity, as the students collect wood for the evaporator in fall, and identify and maintain trees suitable for tapping. John Doyle from Foster's Daily Democrat caught up with Mr. Dunbar and crew, highlighting one of the many local foods we have access to, when we support those who wish to share their knowledge and expertise with students, and with community.

<https://www.fosters.com/news/20190215/somersworth-middle-schoolers-tap-trees-get-big-results>

7th Grade Teacher Chris Asbell, clearly enjoying
some of their purple cabbage during this month's
"Harvest of the Month"

Harvest of the Month tastings continue, and purple cabbage had its moment to shine in February. Kudos to Cafe Services for hosting these events every month, to the stellar and reliable volunteers who chat with kids while encouraging them to try a bite, and to the kids who adventurously try something they may never have tried before. In March, all Somersworth students will have a chance to try a bite of local beets. We can't wait to see what Tracey comes up with, because everything she touches turns to gold! And another thank you to John Doyle, for more coverage of the wonderful Farm to School initiatives in Somersworth.

<https://www.fosters.com/news/20190217/farm-to-school-promotes-local-agriculture>

If you'd like to learn more about Farm to School projects happening in Somersworth, and ways to get involved, contact Wendy at wberkeley@sau56.org.
