Members Present; Mrs. Barry, Mr. Brooks, Mr. Gerding, Mr. Metivier, Mr. Poulin, Ms. Shoen.

City Staff Present; Mrs. Mears, Mrs. Crossley, Jeff Gallant.

Members Absent; Mr. Monahan, Mr. Young.

Others in Attendance; Brad Connolly, Peter Griem, David Raiche, Adam Morrill, Robert Previti, Benjamin Stebbins, Matt DiNola.

SITE WALK OF 85 ELM ST

Mrs. Barry called the meeting to order at 8:00am.

All in attendance took turn introducing themselves.

Mr. Stebbins suggested dividing the group into two groups for touring the basement of the Servants Quarters building due to the limited space within the basement.

While the first group toured the Servants' Quarters building, the other group discussed the height of the proposed building which was demonstrated by a nearby resident that brought a boom lift.

Once the first group exited the building, second group then toured the Servants' Quarters basement.

The first group discussed the property features and placement of the proposed building and the terrain of the property.

The second group rejoined the first group as they were walking around and discussing condition of the profile garage building at 20 Green St.

The entire group continued discussing the building placement using reference points of existing features around the property.

The exterior of the Servants' Quarters were also viewed and discussed.

Meeting adjourned at 8:55am.
