---

If pavement is broken, this form is to be returned and the remainder of this form is to be completed as the work progresses and returned to the CITY ENGINEER for final approval. The person or persons signing below is verifying that the work has been done and that the CITY ENGINEER was notified at the appropriate times to witness the work in progress. The person taking out this permit is responsible for the WORK and for the VERIFYING SIGNATURES. At the end of the guaranty period the CITY ENGINEER will give final approval or the applicant will be notified to repair the patch. See City Ordinance, Chapter 12 for additional details.
