APPLICATION FOR A SPECIAL EXCEPTION

Description of the proposed use for a special exception as specified in Section 4.B of the Zoning Ordinance: _____

Please explain how the following criteria for a special exception are met:

1. Explain how all requirements of this ordinance have been complied with including any special regulations for the use, which are set forth in this chapter:

2. Explain how the requested use will not impair the integrity or be out of character with the district or immediate neighborhood in which it is located:

3. Explain how the proper operation of the use will be insured by the provisions and maintenance of adequate and appropriate utilities, drainage, access, parking and loading, and other necessary site improvements:

4. Explain how the potentially adverse effects of the proposed use on nearby properties, including but not limited to noise, glare, or odor, will be eliminated or controlled through screening or buffering designed to alleviate such effects:

5. Explain how there is adequate and safe pedestrian and vehicular access to and into the site to accommodate anticipated traffic, such that the proposed use will not create unreasonable traffic congestion on contiguous or neighboring streets:

6. Explain how the proposed use will not place an undo burden on any municipal service:

7. Explain how there will not be significant adverse impacts resulting from such use upon the public health, safety, and general welfare of the neighborhood and of the City:
